Dear Officer Luciano,

Please share this with Officer Cheatham

On behalf of College Park, Tane Sheppard and I would like to thank you for your generous monetary donation which enabled us to purchase holiday means and angel tree gifts for 37 students and 13 families. If you could have seen our equipment room in the gym with all the food and gifts you could have envisioned the faces of the students knowing there was an extra gift or two under their tree for them. Not only them, but their parents knowing they would have a wonderful meal to celebrate the holiday. We thank you for your kindness and thoughtfulness. Hope you have a wonderful 2012.

Thank you,

Tane Sheppard Teresa Wooden
