Mr. Brian Luciano

910 Haledon Road
Chesapeake, VA 23320

Dear Mr. Luciano:

I want to thank you for coming to my office in Richmond to express your appreciation relative to recent legislation. It is very important for me to know how the citizens and business community of the Commonwealth of Virginia feel about current issues. I appreciate your making the time in your schedule to take an active role in participatory government. I would like for you to know that I am always keeping your thoughts in mind when making any decisions that affect the citizens of this Commonwealth.

You can follow legislation concerning any issue of interest to you on the Virginia General Assembly website <http://virginiageneralassembly.gov/>. In the center of the screen there is a box that asks for a bill number. Type in the bill number you are interested in and you can see where the bill is currently in the legislative process. You can see what committee the bill has been assigned to and if there have been votes on the bill and how the legislators voted (with the exception of sub-committee votes).

Again, I would like to thank you for taking the time to come visit my Richmond office and express your views and concerns.

With kindest regards, I am

Sincerely,
