Subject: Flowers

Dear Brian:

I would like to take a moment and acknowledge receipt of the beautiful arrangement of flowers received on behalf of the PBA. Our officers appreciate when they are acknowledged in such a positive way.

On behalf of all the second precinct, please accept my personal heartfelt thanks for your generosity in the donation of the beautiful flowers. We would not be able to achieve great things and be considered a "Community for a Lifetime" without having good folks like you thinking about us.

Sincerely,

Shannon L. Wichtendahl, Captain
Commanding Officer
Second Precinct
